LULUCF

Mobilizing LULUCF in the Post-Kyoto Framework

Friday 30 November 20:15 - 21:45. Side Event Room 8 (provisional)**

ORGANISER : SWEDISH UNIVERSITY OF AGRICULTURAL SCIENCES (SLU)

COP17 in Durban brought important changes to LULUCF carbon accounting rules. Can the Durban agreement adequately mobilize LULUCF in the Post-Kyoto Framework, in particular through greater efforts at climate change mitigation and the efficient and balanced use of forest-based resources?

SPEAKERS:

Aulikki Kauppila and Giacomo Grassi, DG Climate Action and Joint Research Center (JRC), European Commission, *LULUCF in the EU Climate Policy Framework*

Hans Nilsagard, Swedish Government Representative, Swedish Negotiating Team (Advisor to the Swedish Ministry for Rural Affairs), *LULUCF and the Climate Policy Framework*

Derik Broekhoff, Climate Action Reserve, *The California Forest Project Protocol (CA_FPP)*

Louis Verchot, CIFOR, *Wetlands and LULUCF Carbon Accounting*

Sebataolo Rahlao, Energy Research Center, University of Cape Town, *On the AFOLU/LULUCF and REDD frameworks in S. Africa*

David Ellison, Mattias Lundblad and Hans Petersson, Institute for World Economics, Budapest and SLU, *The Incentive Gap after Durban*
